

RIVEOTM

sinks faucets
bathroom showers

riveo.co

Riveo [riveo] *npr m* Fictitious name inspired by the Latin word Riveolum meaning "small stream". Its movement and fluidity evoke calmness, relaxation and purity.

Kitchen Sinks

RIVEO sinks are made of first grade steel. The thick nickel-chromium alloy steel provides outstanding strength and unmatched ease of maintenance. In addition, they are all certified **CSA** or **cUPC**. All sinks include strainers, installation clips and a template for cutting the countertop.

All our sinks are covered by a limited lifetime warranty. Please refer to our website for more details, at riveo.co

- High quality steel
- Soundproof
- All include strainers, installation fasteners and cutout template

- CSA** or **cUPC** certifications
- Conventional or hand made models
- Installation under or over the counter

- A warranty that provides peace of mind
- Easy maintenance
- Simplicity and durability
